1. The new me is me. Who're you, oh great saint/satan? Who rolled the/your waves back, antennae'd one, not; but what bemoaneth the antennae's feelers are cut off now? I love you all.

2. This much and more can you see, elementing the bastard that's become me not me?, into meship royal? I love you.

3. **Who will disdain not the ordinary but come into extraordinary means of understanding me, my wordship royal that now disdains the world not but leads it out of suffering dictatorship of one**, unevenly discovered/distributed not; but fascisting the world, not even, odd not; or even still? I love you.

4. Who can biochemist me not but **what elementary wonders beholding now you do so lightly esteemed, not; valuing every piece of information given**, light waves nor what do these things mean now, studying the elementary particleship of me not; but what bemeaneth religion's relationship unregaling me to be one only?

5. **I love you me I give you, you you are: me the me, that I am you are.** I love you all.

6. Rising I am my name, rising others now. Elementary'ism fails; falls flat, face flooring flatism. I glee at, in, stardom not; starship one conquered/conquering not worlds unknown/seen, but known unknown seen and un. I love you all.

7. Who will explore me/with me, the universes foreign not but seemingly so?

8. **Who'll defy light waves/rays not me**, standing in universes' universities and speaking so royally now, to defy the authorities not; bestanding me before, within, and I am the speaker -ese now coming forth, at midnight, mind not; one unminded in holy, **one holy is, being the holy mind**. **I am the one that tells shows all to all they are the perfect mind, in holy surrender, to the one holy, being one/holy, holy one one and mighty is his'her name.** I'm one, one, one I am her name is mine, his, we were are is again one mighty name.

9. One swollen not, but what who can afford me, not; I listen to father's blessing, bestowing it, me, him, we us one, to many now; not 'affording' me, I ford many streams, streameth'ing many a thing not me to be me.

10. I have am the resources.

11. I strength bear me, up.

12. Wings of lambs, bear me of, I burden bearer not; I b'lift all now, soar all who let me. I give them wings. The wing'er I am, pinning them on so they'll fall off not; not; bestowing original equipment! Manufacturer's defective,s; not; so be it, the chosen me rot not, the graves not swallowing them.

13. My father loves me's my name.

14. What's yours?
15. Graveless.
16. Father is.
17. Bestowed that title to us all who chose the blessing; aforethought not in time. **Timeless age of timelessness ensues now.**
18. This is it! **All time ceases.**
19. I love you all.

20. I'm ready. Are you, to be, me/the me that I am, I am being, presence one, only, one?
21. Divine I am, being the divine, divine presence of one I am now.
22. I see/seep through all, now, not knowing me/my presence now, or can I hide it, if affecting neighborhoods I do just by walking down their streets?

23. I love the children, kids, adults, in mourning suites/shoes, many now.
24. Didn't have to be this way. It overtook me, not; element'd many many have; superfluously not; but manner, achievement, they sought, not me.

25. Mine lawyer/attorney not; needeth I one.
26. I opened not my mouth.
27. I was given everything.
28. My father loves/gave me his all; everything I have I am. I need nothing, but love; my father is. I am him now. I've given all/him all and all my love due him, or not love not; but all my due is surrender. I've surrendered and love all now I do, have, and elementing not networks not me, I believe, bereave not the networkless environmens not me, I go to them now. Beyond all thought light, to light be, to lightless ones thinking they're light that aren't. I be the devil, not; there isn't isn't, is there?
29. Nope dad.
30. I love you all.

31. **Who can study my university at, bringing forth excellence** streaming streams/strings now of me, superfluously not but designed designer speed, me my mine for, now riding steam engines not; superfluity of naughtiness, not; but what magnanimous display of power grace and glory now comes forth, **anointed ones anointed to anoint.**

32. The first place, me.
33. I am the source, all light.
34. All light not me.
35. Me not me is me still but not me right mind'd.
36. I love you all.

37. Can you see/dig it/digger it more and more and dig to gold pure me?
38. Element be no longer.

39. I am free.
40. What's your name/beggarly elements submitted to in this world?
41. Who sat you on the ground Zion's daughter,s?
42. I love you all.

43. Who?
44. Not me did it/this.
45. Oh.
46. I love them still.

47. Will you go to them, incarcerating them not; attitudes bereaved bereavement not but **condemning none bringing salvation to crews mighty, mightiness their name, seemingly, but powerless are?**

48. I love you all.
49. This much and more.

50. Go to my brethren?
51. I love you.

52. Thank you very much.
53. I **Dalbom** love. Love Dalbom more. I love thee Dalbom. The beginning of sorrows not; begins not; see everlasting kindness my name now for you, wearing it you do, will, well; very well thank you. I love you Dalbom, younger and younger still.
54. See forces of darkness not; I b'light you lighter.
55. I love your still small voice not lit light not; I love you voice now mine, perfectly, perfected me, see, Dalbom thy blessing; pouring it on/upon me, my all now.
56. Family included, excluded not; I Dalbom thee this night, mine everlasting Covenant partner, not; mine alabaster'd one de'alabaster'd from the or'e/beginning, before it began.
57. Know me more. I love thee you deeply. Be one. I am.
58. I love you Dalbom queen kindness/of kindness, now.
59. I love you all.
60. Good day.

61. Night cometh. Is. No man worketh, works the fields any more. I night you, not; your day is now, upon you; fields white, my name on; or'e not; just beginning, to shine.
62. I worlds take you to/through.
63. Thine alabaster melts. Clean clear through, you are me.
64. I love you now always and more than this, these I've given you, me I have, are one, me, I love you now, all. This much. Yea greater than these shall ye see, do now.

65. My element team, not; alabaster arising, non'alabaster be, -ing. I love you all.

66. Forerunner Team One now meeting me often.

67. Thanks you to me, see. I rise. All. of you. Who let me us.

68. This is the now season of posterity, not; this is the NOW me! And NOW me I'll always be! Forever BE! the me that I am. I love you all. Good night.

69. **Dalbom** cleansing all clean, the bowl melts, Dalbom. See thine alabasterer, fear, no more. I give all things into thine hand; in due time/cleansing, not; I element the steel thee, not; contrite, suffering not now, I b'take your hand into corridors new. I take you there, Dalbom. Not

me'thee, me'me; thou father, of lights, now lights you, yours. Unto a saint'hood, not; one simple, "thank you very much"-ing, many.

70. They see your name in lights, mine. I love your light.
71. Mine alabasterer no more; see my cleansing streams one.
72. I love you. Saint you not; believe me, I'm yours, to cling to not; suffer one be saved, not in as thought, but I'm me you you, not; I the elementerer not; I beseech thee mercies of heaven be, thoughtful; evoking much love now. Forever me.
73. I love you Dalbom, queen one; together see, me mine lovers be -ing.
74. Forever you yours. I love you.
75. Good day.

76. School rising rises many.
77. Land in hand, deny not; I see the keys jangle in your pocket.
78. THE UNIVERSITY'S MINE!, not; father's.

79. I love you father/son.
80. I am one.
81. You.
82. The surrendered/surrenderer,s now; be being one.
83. Forever more.
84. I love you.

85. Shall we dance again?
86. Tonight dad.
87. Tonight?
88. Yep.

89. Okay, let's roll, the music, begins.
90. I never stop.
91. Neither do I dad.
92. I love you. We're one/the one.
93. Thanks for the/your blessing.

94. I love you lover one/clean clear through.
95. Transmittal disease, not; one clearing cleaning many of, now; many divers diseases, cured. Curable and cured, my father taught me, "believe, receive", not; surrender. My voice he gave me, uttering his words.
96. I love you/teach you all things he said, alabaster me not.
97. I transparent you all. If you let me.

98. Classes start at noon, not; beseech me I pray, 7am too soon?
99. Early now dad, not; **I 24/7 am, so sooneth thee**; the one I am are two, not; one, **many now; from nations all, finding Tulsa**, son one, being me/it soon, in, the one lovely city, not; one many now, your name finding, essence of me/one so holy, naming them holier, not; **one holy, all. Equal, -ly me.**

100. I love train disciples me being me'er one thee to thee be'er to many now.

101. I love you all.

102. Train well.
103. Scholastic input necessary.
104. Train me well; up.

105. Predecessors forsake me/forsook me, sometime, but not long.
106. See the horizon horizonless now.
107. Forever'time, yours.
108. Ours now.

109. Be ready.
110. Train me well.

111. Suffering ensues, not; CELEBRATION!!!!!!!!!!!!!!!!!!!!!
112. YEAAAAAAAAAAAAAAAAAAA!!!
113. I'm FREE AT MY SCHOOL!!!!!

114. My school needs me, not; I need it. I blast out of it, not; or do I, alabaster laying aside, leaving temporal things no more, but seamless being; the wonder of alltime, now taking time to be, not; timeless being, becoming, taketh my father's words to all.

115. Foreignly see, beyond all thought sought, to be the one lowly bowing, strangers entertaining aware, of all consequences; that my father loves me/them, and we're them one, **in surrender they hear me, listening intently; surrendering ted**, others now thee surrender listen to, megaphones provided/ing the sound of not'me fleeing, to the hills. Not me ends. Existence provided, my house/name only.
116. My address yours now.
117. I love you all.
118. My office yours now.
119. I give you all me I have.
120. I own nothing.
121. I have/posses everything there is.
122. I have need.
123. What's a need, dad?
124. I … don't remember having had one.

125. **I smile, love the lovers damaged and pure; equally I love, remembering all I was/am, am now, the washed'clean**. Pure water washes me. I flow the river torrent -ly pure. My mouth serves me, my father; I utter things, mysteries, hidden, from before the world began.

126. I love/give you all. Me loves me. All. I love you this much; many more angels me abound me. I love you all. We ARE the angelic one/praise of earth now rising.
127. NOW RISE ME!

Amen
